

5689 Are Registered In M.S.A.

TOTAL FOR ELECTORAL DISTRICT OVER 26,000; NO HITCHES REPORTED

Nearly 6,000 of the 26,500 persons over the age of 16 years who registered in the Fraser Valley electoral district during the three days of National Registration last week did so in the fifteen registration divisions of the Matsqui-Sumas-Abbotsford Area. This information was given to THE NEWS on Tuesday night by Ivan Hurdall, official registrar, and the detail figures, he said, represented his final compilation for submission to Ottawa.

Actual total of the persons registering in the MSA Area is 5689, according to the returns of the deputy registrars. Total for the Fraser Valley electoral district is 26,562. The three divisions in Abbotsford centre provided one of the largest totals of any centre outside of Chilliwack, recording 1653 names. Next largest total registered in the MSA Area was that of the two divisions in Matsqui village which issued certificates to 650 persons.

Four divisions in the MSA Area registered more than 400 persons each in the three-day roundup. They were Huntingdon with 476, Vedder Canal with 441, Upper Sumas with 433 and Bradner 411. Mount Lehman and Peardonville were close contenders, the former division registering 310 persons, the latter 293. Next in strength were Sumas hop yards division 279, Clayburn 269, Kilgard 257, and Aberdeen 217.

Mr. Hurdall expresses gratification over the fact that the big task was carried through without a hitch in the Fraser Valley district and expressed appreciation of the fine co-operation accorded in every community by individuals and organizations and by the press in printing all possible information.

LOST CERTIFICATES

Already reports are being received of lost registration certificates, Mr. Hurdall states. These can only be replaced, he points out, by application to the Dominion Statistician at Ottawa. The applicant should give the name and number of the electoral district and number of polling division in which the registrant ordinarily resided during the registration period. A copy of the letter should be carried for production on demand until the new card is received. It is suggested that all card holders keep a separate record of the numbers, etc., on their card for reference should they lose their cards and have to write for a replacement.

EGG PRICES ADVANCE

Prices of eggs advanced 2c per dozen in Vancouver again Monday. Price paid to the producer for Grade A large was 25 and for Grade A medium 23. Wholesale prices per dozen were, for Grade A large .29 to .30, and for Grade A medium .27 to .28. Pullet prices were unchanged. Price paid to producer for pee-wees was 0.7 to .08 per dozen, while wholesale price of pee-wees per dozen was .10 to .11.

FROST DAMAGE TO TOBACCO CROP IN EAST IS SEVERE

J. M. Perrett of Simcoe, manager of the Ontario Tobacco Marketing Board, said "millions of dollars" damage was done to tobacco crops in the Norfolk and Oxford County areas by severe frost Friday night.

The suicide rate in Germany is almost as high as for all the rest of Europe together and about four times that of the United States.

Advertisers and Correspondents

Due to the holiday on Monday, Sept. 2, we request the co-operation of advertisers and correspondents in providing as much as possible of their "copy" by Saturday morning of this week and the balance first thing Tuesday morning. With this assistance we will be able to publish as usual on Wednesday of next week.

LANGLEY WINS DISTRICT AWARD AT VANCOUVER

The handsome silver trophy, emblematic of the finest district exhibit at the Vancouver Exhibition, has been awarded to the municipality of Langley, which attained 1423.7 points. Surrey gained second place with 1401.7 points, Victoria was third with 1321.8 points and Burnaby fourth with 122.7 points.

Stiff Fines Are Paid In Excise Cases

FOUR JAPANESE ARE FINED; SUSPENSION IN REGISTRATION CASE

Four Japanese were hauled into Matsqui police court last week by Cpl. C. J. Young of the Abbotsford detachment RCMP. Two of the Japanese were charged with offenses under the Excise Act and two under the Defense of Canada Regulations. All pleaded guilty before Justices of the Peace G. H. Loach and Eric T. Weir.

Mrs. Sueykicho Kodama of Clayburn paid a fine of \$100 and costs for possession of mash suitable for manufacture of spirits.

Kintaro Kamimura, also of Clayburn, paid a fine of \$25 and costs for possession of home-brewed beer.

Charged as an alien in possession of firearms, Sadao Yamamoto of Mount Lehman paid \$5 and costs.

Possession of explosives as well as firearms resulted in Yoshino Tsusumi, also of Mount Lehman, being fined \$25 and costs which he paid.

First case in the MSA Area under the Canada National Registration Regulations, also brought by the RCMP, was heard before Magistrate George F. Pratt in Abbotsford police court on Saturday, when Fred Verch, 1133 Horn road, appeared on a charge of making misleading statements on his registration card. The court found no criminal intent on the part of the accused and, de-

(Continued on Page Five)

Schools Ready For Return of Pupils Tuesday

MOST BUS ROUTES SAME; ONE MORE TEACHER NAMED

Arrangements are now nearing completion for the opening on Tuesday of the MSA schools after the summer vacation. It is hoped that this year, since the hopping season is earlier and shorter, work will get into full swing within a week of the beginning of the term.

Most of the buses will run, for the time being, on about the same routes as last year. The main changes, Inspector A. S. Towell states, are as follows:

A bus will leave the crossroad just past the Straiton school at 7:45 a.m. to carry pupils to Upper Sumas from Straiton and Kilgard. Also all grade IX pupils from Sumas municipality will, henceforth, attend the Upper Sumas school instead of being transported to Matsqui superior school.

BEGINNERS
A misunderstanding seems to have arisen regarding the registration of children beginning grade I. These pupils are not registered at the Education Office; they should be taken to school on the opening day and registered.

F.V.M.P.A. AVERAGE SETTLING RATE FOR HALF-YEAR HIGHER

A net over-all increase for the six months ending July 31 of slightly over five cents per pound butterfat is reported to members of the F.V.M.P.A. by "Butter-Fat" for August. This increase is reflected, the journal states, "in our settling rate, the monthly average for 1940 to July 31 being 38.5 cents on a 4 per cent basis, compared with 33.3c for the same period in 1939. Total butterfat received for the first half of 1940 is over 100,000 lbs. in excess of the figure for the same period last year. Dry weather in August, however, caused a substantial drop.

OPEN TORONTO EXHIBITION

The Earl of Athlone, Governor-General of Canada, and the Countess of Athlone. His Excellency opened the Canadian National Exhibition at Toronto on Friday. Pictured here with them is Lieut.-General A. G. L. McNaughton, who led the 1st Division C.A.S.F. overseas. Several broadcasts are expected to originate at the C.N.E. this year.

Seed Growers and Trade Form Joint Organization

Seed growing and seed distribution in British Columbia were organized on a province-wide basis on Monday when the efforts of several months culminated in the organization of British Columbia Seeds Limited, composed of growers and the trade. It will be the function of this company to co-ordinate seed growing, so that this industry may be expanded and developed to the maximum in view of the urgent need for seeds and in view of British Columbia's ideal soil and climate for seed production.

OFFICERS

At a conference of the directors of the B.C. Seed Growers' Association and directors of the B.C. Seed Trade Association, held in Vancouver, British Columbia Seeds Limited was set up with grower-trade officers consisting of:

President and manager, F. O. Blake, Royal Oak, Vancouver Island; vice-president, R. Grant Thompson, Armstrong; director, R. Heaven, Jr., Grand Forks, all three being growers, and two directors, R. R. Horrex, of Rennie's Seeds Limited, and David Thompson of Brackman-Ker Limited, representing the trade. Either Mr. Horrex or Mr. Thompson will be secretary-treasurer of the company, depending on whether the warehouse and office will be located in Vancouver or in New Westminster. President Blake will give a decision on this matter in a few days.

ACQUIRE BUREAU

The new company will take over the seed stocks and equipment of Agricultural Marketing Bureau Limited and will acquire this company.

(Continued on Page Five)

JUNIOR TENNIS TOURNAMENT ON SATURDAY

CFV Tennis Club courts, Abbotsford, will be used on Saturday for the junior closed tennis tournament. Play will begin at 9:30 a.m. Events include girls under 16, boys under 15, girls and boys under 18, and doubles and mixed doubles under 18. Details of entry fees will be given on the courts on Saturday morning.

Mrs. M. Trethewey states there will be good racquets available for those whose racquets are not particularly good, and balls will be provided. The committee for the tourney is asked to be on hand at 9:15 a.m. to assist in the preparation and execution of the tournament. Winners in all events on Saturday will have their entry fees paid to the open tournament on the following Sunday and Monday at Abbotsford.

Births at M.S.A. Hospital

Aug. 25—To Mr. and Mrs. James McDonald, Abbotsford, a daughter.

BE READY TO SHOW POLICE YOUR CARD

Federal, provincial and municipal police will immediately begin "an intensive campaign" to trace persons who have failed to register, according to an announcement by the department of national war services. The police are being particularly asked to have traffic officers require the production of registration certificates. Fines and jail terms are being imposed on offenders.

Fires Destroy Farm Homes in Sumas, Matsqui

ORIGIN OF ONE BLAZE UNKNOWN; HAY FIRES OTHER

Reregistration of nearly 300 persons in the Peardonville district, probably creating a unique situation in Canada, was averted only by chance a few hours after National Registration closed at 10 p.m. on Aug. 21. John L. Leslie, 3647 Peardonville road, returned to his farm, the pioneer Buchanan place, about 10:40 p.m. and, being very tired, locked the case containing the 293 completed registration cards for the Peardonville division where he and Mrs. O. H. Heywood were deputy registrars, in his car, had a cold snack and went to bed. There was no fire in the house and neither Mr. Leslie or his 80-year-old father, J. P. Leslie, only other occupant of the two-storey home, smoke, but shortly after 3 a.m. Thursday, the deputy registrar was awakened by the glow of fire and found the pantry in flames. He hastily threw a couple of buckets of water on the blaze and rushed back upstairs to awaken his father.

By the time the two men got downstairs again the house was beyond saving, there being no fire-fighting equipment in the district and no telephones within a mile.

Neighbors were quickly on the scene and endeavored to help salvage furniture from the comfortably-furnished home, but even these few articles were scorched. Clothing was provided for the Leslies and the two men are guests of Mr. and Mrs. B. Blaxland, neighbors.

Loss is estimated at \$3500 with little insurance on house and contents. When Mr. Leslie realized the intensity of the blaze he ran his car out of the garage into a field and thus saved the registration cards because a root house

(Continued on Page Eight)

BOARDS MEETS SEPT. 4

Quarterly meeting of the Associated Boards of Trade will be held at Agassiz on Wednesday, Sept. 4. Sessions will commence in the Memorial Hall at 10 a.m. with luncheon at the Dominion Experimental Farm at 12:30 noon. Special committee reports will be received and Dean Clement may be the guest speaker.

Decision Against Farmers

DISTRIBUTORS WIN CASE AGAINST EQUALIZATION OF PRODUCER RETURNS

In Milk Board operations, it is not legal to enact orders to provide for equalization of prices between dairymen, according to a decision given Monday by Mr. Justice D. A. McDonald.

The case was that of Turner's Dairy Ltd. and other plaintiffs against Mr. Williams, chairman of the Lower Mainland Dairy Products Board. The chief attack was made by Senator J. W. deB. Faris, counsel for the plaintiffs, against a series of orders by the board. These orders sought, by means of a buying and reselling system of milk, to equalize the prices paid to each farmer. The decision was that these orders were ultra vires, that the attempt to equalize prices in this way was not bona fide.

DISTRIBUTORS' PLEA

Turner's Dairy and other companies associated with them in the action had contended that the orders, which compelled sale of milk and milk products through an agency and fixed the prices, was a form of indirect taxation, and therefore ultra vires of the board's powers.

The effect of the judgment is against W. E. Williams, chairman of the board, to say the board can not equalize prices. It can go no further than the board's operation of the period of about two years ago.

ULTRA VIRES

Justice McDonald declared ultra vires five orders of the board, Nos. 10, 12, 13, 14 and 15.

The most important of the orders include No. 14, creating the Milk Clearing House Ltd. as a single agency; No. 13 providing for penalties for certain violations No. 14 establishing base and quota with regard to quality and supplies; and No. 15 which has reference to price to be charged in the milk marketing regulations.

BOARD TO MEET

The board, it is expected, will meet within the next few days to consider the future course of action and it is considered likely that an appeal will be taken.

Final Plans For Two-Day Fair Speeded

MECHANICAL RIDES AND CARNIVAL ATTRACTIONS ENGAGED; BIG ENTRY

Preparations are practically complete, state President T. D. Smith and Secretary L. J. Kettle, for an outstanding Central Fraser Valley Fair at Abbotsford on Friday and Saturday, Sept. 6 and 7. With entries permitted up to 9 p.m. on Thursday, Sept. 5, it is too early, according to Secretary Kettle, to estimate the volume of exhibits but he is confident it will be satisfactory.

While some fairs have eliminated prize money and others have attached various strings to cash awards, President Smith has issued an assurance that winners at the sixth annual CFV Fair may be confident of receiving the full prize money shown in the prize list.

Arrangements have been made with the carnival company that visited the Fair two years ago to bring mechanical attractions and sideshows again this year. A. W. Webb, chairman of attractions, expects to be able to announce next week just what rides are coming.

SCHOOL GARDENS

All entrants for the school garden contest are asked to take their entries to school on Wednesday, Sept. 4, where they will be picked up. These entries must be plainly marked with name, age, name of school and also name of principal.

NATURAL HISTORY SOCIETY VISITS SUMAS FARM

A visit to the farm on McKenzie and Farmer roads, Sumas, by Kenneth Racey, one of British Columbia's leading ornithologists was made Saturday by members of Vancouver Natural History Society. The party travelled by bus.

Trainer Plane Donated By F.V.M.P.A. Members

In the above illustration is shown the DeHavilland Tiger-Moth training plane donated by the members of the Fraser Valley Milk Producers Association to the recent Vancouver Air Supremacy Drive. The picture is reproduced through the courtesy of "Butter-Fat," the monthly journal of co-operative dairy farmers in the Fraser Valley. And, as Butter-Fat states, the above plane "is now in the service of our Empire, training pilots to bring about the downfall of Nazi tyranny."

And War Has Been With Us One Year

One year ago in this column under the caption "If War Comes..." we quoted Neville Chamberlain, then Prime Minister of Great Britain, as saying: "We still hope that reason and sanity will find a way to reassert themselves... God knows I have done all possible in our efforts for peace."

Three days later the world finally realized that Germany had no desire or intention to reason and there was no hope of Germany regaining her sanity. The Germans had planned for war even as in 1914. It is well that we repeat the rest of the quotation published a year ago from the address to the world by Neville Chamberlain because a year of combat with the Germans has brought home to us how true Chamberlain's words have proved. He said:

"If war comes we shan't be fighting for the political future of any faraway state in a foreign land. We shall be fighting for preservation of those principles the destruction of which would involve the destruction of all possibility of peace and security for the peoples of the world."

* * *

The industry of Canada is being speeded up; the food-stuffs of Canada are being supplied and properly stored to meet the greatest need at the proper time. The human manpower of Canada is working its way into production, industry, the Navy, the Air Force and the Army.—Hon. J. G. Gardiner.

* * *

Check-Up Starts As Registration Ends

A national check-up of registration by police authorities started the day following close of registration booths, according to Mr. Justice T. C. Davis, deputy minister of National War Services. During the three designated days for registering, millions of person called at registration booths, manned by 20,000 appointed officials and 100,000 voluntary workers, to answer questions and receive a registration certificate.

"Only a very small minority failed to comply with registration," stated Mr. Davis.

Gratification of the manner the huge task was carried out was expressed by Hon. James G. Gardiner, Minister of National War Services.

Those who reached the age of sixteen after August 21 and hereafter will have to register within 30 days of their birthday.

According to Justice Davis some constituencies have already reported that the task was carried out entirely free of charge to the government.

Reports that blank certificate cards were obtained by certain persons, who might issue false certificates to people who do not wish to register, are being investigated. Mr. Davis points out these would be useless, as they can be checked in Ottawa by the Dominion Statistician, Dr. R. H. Coats, in five minutes. Six hundred clerks and statisticians are busy in the Bureau of Statistics classifying cards.

* * *

Curse the Germans, But Make it Effective

Little as we yet realize what the ruthless, brutal warfare again inflicted on the world by Germany really is, the bare details that reach us of the Christian lands being ravaged by the Nazi pagans are enough to make every Canadian tighten his belt and determine to add his weight to the Allied effort to defeat the "Beasts of Berlin."

We must keep this in mind, however. The Germans will have to be defeated with the same type of weapons they have so fiendishly sprung on an astounded world. And not only must they be met with their own type of weapons but these weapons must be built and transported into action against the cunning, long-plotting Germans with speed and in great numbers.

It is all right when we read of a 13th century church being desecrated by the Germans, its beautiful statues and its stained glass windows smashed, to curse the Germans. But do your swearing by saving—buy another War Savings Stamp.

It is all right, too, when we read of German planes swooping down and machine-gunning children bathing at the beaches, to curse the Germans. But do your swearing with another War Savings Certificate.

Of course you rage when you hear over the radio of a mother shielding with her bullet-smashed body the infant she has hastily snatched from its bed at the sound of the German bombers overhead, but do your swearing with still more purchases of War Savings Stamps or Certificates, whichever you can possibly afford.

And you will curse when you read of the torpedoing of unarmed passenger ships, the drowning of women and children, the bombing of peaceful homes like your own, and the lying, cheating, undermining German tactics in our own and other countries, but give effect to your anger. Give our men the guns and machines to wipe out these German monsters.

Those of us still free from the horrors being wrought by the Germans, yet so much nearer to it than we realize, can do our bit by answering the appeal of the Government to "Serve by Saving." By so doing we contribute the funds that will equip our men to meet might with might—the only language Germans understand.

"I washed it yesterday and now I can't do a thing with it!"

HEAVIER FINES
FOR FAILURE TO
REGISTER GUNS

Attorney-General Wismer has been advised by the Dominion government that an Order-in-council has been passed at Ottawa providing for an increase in the penalties for non-registration of firearms under what is known as the Wismer provincial security plan. In cases of conviction on indictment a fine up to \$500, or one year in prison, may now be imposed. The general penalty on summary conviction is \$50, or one month in jail.

Mr. Wismer last week wired the Dominion authorities urging the heavier penalty. He suggested that the light fine would meet the case of those who inadvertently failed to register; but argued that the stiffer punishment was needed to deal with those who deliberately attempted to conceal weapons. Persons who have not registered their rifles and shotguns by September 15 will have committed an offence and will become liable to action and penalty.

VALLEY UNITS
GO TO CAMP

More than 50 members of the Chilliwack Company of the 2nd Bn. Westminster Regiment left for two weeks training camp at North Vancouver on Sunday. A similar number from the Langley-Surrey unit has also gone to the camp and equal numbers follow a fortnight later from both centres. The platoon organized at Mission is also participating.

WHICH OTTAWA?

That Ottawa is an exclusive name would be the guess of many inhabitants of the Dominion, particularly as it is the Capital. Yet a railway agent might well inquire of the intending traveller which of eight communities was meant when asking for a "ticket to Ottawa." There are seven Ottawas across the border in Georgia, Illinois, Kansas, Minnesota, Ohio, Pennsylvania and West Virginia.

Main line and international trains operated by the Canadian National system are air-conditioned.

Civilian Holds Important War Post

Phillip A. Chester
Given High Rank
In Ordnance

One of Canada's most important war-time military jobs has just been given to an out-and-out civilian, which, in days not long past, would be considered a highly unorthodox thing to do. But this little war we are in is a civilian's war—a war of the common people fighting for all the things they think worth while, and when there comes into view a civilian who can do a certain military job better than the available soldier, it is very good business on the part of the powers that be to turn the job over to him.

That is why Phillip A. Chester, widely known as the North American General Manager of the Hudson's Bay Company, is now the assistant Master General of Ordnance of this country's army.

For some time Mr. Chester has been responsible for the operations and fortunes of the great Hudson's Bay wholesale and retail stores, and since the Ordnance Department is one that is largely concerned with store-keeping, he would seem to be the right man for the job. He will be responsible for all equipment and clothing of the fighting forces. Everything from tooth-brushes to trousers and tanks will come under his management, to say nothing of food for men, guns and machines and he must see that all these things are at hand when and where they are needed, and that

every item comes up to the standard required.

Mr. Chester served in the British Army during the last war. He enlisted in the ranks of the 9th Battalion, Kings Royal Rifles in August 1914 and served continuously in France until 1919 with the exception of two short periods when he was wounded. He was demobilized with the rank of Captain. In this war he will carry no military rank and wear no uniform, but will be one of that army of civilians whose work is so vitally important in maintaining the efficiency of our fighting forces. Mr. Chester joined the staff of the Hudson's Bay Company in 1923 and was appointed General Manager for all the Company's operations in North America in 1930.

Do You Remember?
Fifteen Years Ago
In the M.S.A. Area

From the A. S. & M. News of August 27, 1925

Petition was presented at the Village of Abbotsford council meeting asking that the light half-way up the Oscar St. hill be moved to the top and the other moved to the corner of Oscar and Marshall streets. The application was signed by W. Stewart, P. Rogers, W. Coutts, F. Chapman, A. Hill-Tout and Mrs. Millard. E. Barrett applied for sidewalk repairs adjacent to his property. Cider sidewalks were discussed and the Council will seek information upon costs.

Roy Machell of Ridgedale is busy erecting a barn, which when completed will be the largest in the district.

A fine program of sports is being prepared by Committeemen Tom Lancaster and Chas. Bell for the Matsqui A. & H. Association 14th exhibition to be held at Gifford next month. About \$1,500 in prize money is to be paid.

The ladies of the Poplar-Peardonville-Abbotsford district will hold an exhibition in the Poplar Community hall on Thursday next in an effort to foster interest in locally-grown flowers, fruits and vegetables.

Mr. M. Murphy has moved to his new farm at Huntingdon. The house he has vacated will be occupied by Mr. King, the newly-appointed principal of the Huntingdon school.

Ten dairy cows, property of R. Tingley, were sold at the Stenson farm on Tuesday.

W.S. STAMP PRIZES

War Savings Stamps will be substituted for 50 per cent. of all prize money over \$1, special prizes excepted, at the Mission annual fair.

For hauling the ton of average freight one mile the Canadian National Railways receive less than one cent; to provide revenue to purchase one postage stamp the National System must carry a ton of freight more than three miles.

D. S. HEELAS, Supervisor.

RAM GRADING SERVICE AGAIN FOR BREEDERS

For a number of years breeders of pure-bred sheep have requested the grading of their rams so that the purchaser would buy according to grade; XXX and XX. This service is again offered free of charge by the Dominion Department of Agriculture.

The ram grading policy has already done a great deal to eliminate the poor pure-bred. It is still necessary, and in wartime particularly, that the general quality of sheep flocks should be maintained on a high level and further improvement effected.

Since a large percentage of rams purchased for breeding purposes in Canada are bought as lambs, breeders will realize the importance of growth and early maturity in order that their stock is well developed and in good condition for the breeding season. Applications for the ram grading service should be made immediately to the Dominion Department of Agriculture at Ottawa.

The Ram Premium Policy has been discontinued.

"Oh, boy, we're going to have a chicken dinner."—Can. Poultryman

B.C. PEACH CROP IS MUCH LARGER THAN LAST YEAR

A preliminary estimate places the 1940 crop of peaches at 754,000 bushels of which Ontario will account for 568,000 bushels, about 190,000 bushels less than in 1939, and British Columbia orchards are expected to yield 185,600 bushels, about 8600 bushels more than last year.

The early varieties of peaches are now on the market and this Canadian-grown fruit will be available at reasonable prices until late September or early October. While this year's crop is about 181,000 bushels less than in 1939 it is 182,000 bushels above the five-year average, 1934-38.

This year's crop of peaches is of excellent quality. Of all the fruits grown none is more healthful as food whether eaten just as they are picked sun-ripe from the tree as fresh fruit, or in the many other ways they can be served fresh or preserved. Canadian peaches cannot be excelled for flavor.

TOBACCO ACREAGE

It is estimated that the area planted to flue-cured tobacco in Ontario has been reduced to approximately 40,000 acres. Although a few farms are growing tobacco for the first time, the number of these farms is small in comparison with the number on which tobacco culture has been discontinued or postponed.

ART OF CURING TOBACCO CROP OF SUMAS DISTRICT

Visitors to the district who are aware of the industry here take more interest in the production of tobacco on Sumas reclaimed land than do local citizens and marvel at the amount of work and care that enters into the harvesting and curing of the crop. The latter process is none the less interesting because it is hidden. It is described briefly in a bulletin from the Dominion Agricultural Department in the following words by R. J. Haslam of the Experimental Station at Yarrow:

Curing of tobacco is a gradual process of the leaf tissues, during which time certain constituents in the leaf undergo changes that are vital to color, texture, aroma. Failure to remove the excess moisture by inadequate ventilation results in pole sweat and general discoloration of the leaf. In contrast, if the leaf is killed prematurely by cool, dry atmospheric conditions, curing is stopped and the color of the leaf remains green.

PEACH GRADES

Peaches are sold by grade, the grades in order of quality and size being Select, No. 1, No. 2 or Domestic and No. 3. The grade mark must, according to the regulations under the Fruit, Vegetable and Honey Act, be plainly marked on the basket or container in which the fruit is offered for sale.

TIMELY TIPS

by a
Bradner Gardener

Considerable interest was created by the suggestion, advanced in this column recently by the "Bradner Gardener," that "attention must now be paid to sowing of certain crops for autumn, winter and spring. These comprise onions, spinach, cabbage and cauliflower." Mr. Preece, the Bradner Gardener, has had a number of questions on this and some have contended frost damage would be too severe. Several persons, however, have stated they plan to try it out even though dubious of results.

In this connection an advertisement of the Ministries of Food and Agriculture, appearing in The Brecon and Radnor Express and County Times, England, July 4, 1940 (copies kindly loaned THE NEWS by Mrs. J. E. Parton of Abbotsford), gives supporting advice. Captioned "Food Bulletin No. 5," this advertisement states:

"We should be using salads and vegetables all we can. And we should be making sure of our future supplies by sowing or planting every inch of our allotments and gardens. Perpetual spinach can now be sown for autumn and winter use, and carrots, late-keeping turnips and swedes. Kale, savoy cabbage and sprouting broccoli can be planted now for winter and spring."

FOUR-EARED CORN

An unusual ear of corn was found by Harry Walker among a quantity of sweet corn purchased from local growers by M. C. Walker and Co., the Abbotsford Red & White Store. This particular ear is in reality four ears on one stock and is on display in the NEWS window. It was grown by N. Cosmick of Huntingdon.

FARM EXPORTS

The value of Canadian products of farm origin exported from Canada in 1939 totalled \$300,133,791, of which field crops represented 68.1 per cent. and livestock and products 31.9 per cent.

M. S. A. Farmers Have Friends at Exhibition

LEONARD ZINK (above)

RALPH H. GRAM (left)

Ralph Gram, Senior Agricultural Representative for the B. C. Electric Railway Company, and Leonard Zink, Mr. Gram's successor as agricultural representative for the Central Fraser Valley when the former was promoted last spring, are both on hand at the BCER Farm Power Show at the Vancouver Exhibition now in progress. They are showing their many friends the latest wrinkles in labor-saving farming such as automatic barn-door fly sprayers and water heaters that fit inside pails.

Aberdeen

Mr. John Catto and Mrs. J. K. Gledhill, deputy registrars of the Aberdeen division, wish to thank all those who kindly assisted in the National registration.

Mr. and Mrs. Ivan Govett and children have returned to their home in Kamloops after visiting the home of their parents, Mr. and Mrs. W. Fleugal.

Councillor and Mrs. Seymour Huff of Ladner and Mr. and Mrs. W. Hardie of Vancouver, were guests of Mr. and Mrs. A. E. Gledhill on Sunday.

T. Layman, jr., has returned home from Canoe where he has been enjoyed for sometime.

Personal Paragraphs

Contributed by our District Correspondents

Matsqui

Mrs. T. H. Lancaster is visiting Mrs. Len Smith at the latter's summer home at White Rock.

Mrs. J. M. Igeland spent a few days in Powell River where she visited her daughter, Miss Freda Igeland, R.N.

Mr. and Mrs. Eddie Ekland and Leslie have been on a trip to the Fraser River Canyon.

Mrs. George Kerr and Douglas have returned from a three-week's vacation at White Rock. Mrs. E. Simpson returned with her mother and spent a few days here before returning to her Vancouver home.

Miss Audrey Kerr left Sunday night with her sister and brother-in-law, Mr. and Mrs. F. Simpson to spend a week with them in Vancouver.

Mrs. J. Corral and Jimmy and Mr. and Mrs. Mullette and Jack all of Vancouver, were Sunday visitors at the home of Mrs. Alex Beaton.

Miss Anne Nichol, recent guest of her grandparents, Mr. and Mrs. E. J. Bond, has left for her home in Long Beach, California.

Sunday visitors of Mr. and Mrs. N. R. Crist were Mr. and Mrs. H. E. Nixon, Miss Anna Nelson, Miss Freda Nelson, all of Abbotsford, Mrs. Alestair McNak and Mrs. H. Shafer of Grand Coulee, Wn.

Mr. and Mrs. E. Norrish and Mrs. Amos Gibbard visited the Coquitlam Orange Lodge on Thursday night.

Mrs. J. Mahoney spent the weekend at White Rock with her mother, Mrs. Len Smith.

Miss Phyllis Gibbard left Sunday to look after her purebred Jersey which she entered in the calf club of the Vancouver Exhibition.

Nello Muchell left Saturday to enter his purebred Holstein calf in the Vancouver Exhibition.

Thursday visitors of Mr. and Mrs. Amos Gibbard were Mr. and Mrs. Arthur Martin of Vancouver.

Mr. Victor Hansen left Tuesday for Shearvale, in the Peace River District, where he has secured a position to teach school.

Mrs. I. Hodgins has returned from a holiday at Vancouver and Milner.

Mr. Ted Gibbard, who has been in the Vancouver General Hospital for the past three months, has now had the cast and stitches removed from his leg and expects to be home in about a month or six weeks.

Mrs. Emil Erlandson and two children of Bellingham spent last week with her father, Mr. A. Bergswick.

Mrs. Allan of Vancouver is a guest at the home of Mrs. H. Hurum.

Ridgedale

Mr. and Mrs. Howard Rottluff, Jr., have left for Vancouver Island to visit Mrs. Rottluff's parents, Mr. and Mrs. W. Mailes, at Port Alberni.

Mrs. Clifford Simms of Langley is spending a visit with her parents, Mr. and Mrs. J. Overstall.

Mrs. J. Overstall of Abbotsford spent Tuesday with Mrs. W. Page. Mrs. Roy Macchell entertained in honor of her sister, Mrs. Bruce Forteth of Trail, on Friday afternoon. Mrs. Forteth, with her two sons, is guest of Mr. and Mrs. Macchell.

Miss Charlotte Beharrell of Vancouver is spending a holiday with her parents, Mr. and Mrs. Lloyd Beharrell.

Miss Muriel Anderson of Winnipeg spent the weekend with Miss Helen Anderson.

Sumas District

Mr. and Mrs. L. O. Lamson had as their guests recently, Mr. and Mrs. P. Thompson and Mr. and Mrs. Harry McDonald of Vancouver. Mrs. McDonald (nee Irene McKay) was a former teacher at Stratton.

Mrs. E. Brogaard with Joan and Judith spent a few days in Vancouver.

Mr. Theisen and daughter of Saskatoon, Sask., are visiting Mr. and Mrs. Fleming at Whatcom rd. and may settle here permanently.

Miss Marjorie Hammond of Nicola is visiting her uncle and aunt, Mr. and Mrs. J. T. Hunter.

Miss Norma Baynes of Mission spent last weekend with her parents, Mr. and Mrs. C. Baynes.

Miss Winnie Harris and Mr. J. Tillotson of Bellingham were weekend visitors with Mr. and Mrs. Harris.

Mr. and Mrs. Russell Beach and Mr. and Mrs. Beach Sr., of New Westminster were recent visitors at the home of Mr. and Mrs. Ross Smith, Sumas Prairie.

Mrs. H. Quadling of Barrowton has left for Saskatchewan for a visit with relatives.

Mr. S. M. Carson of Chilliwack will be the speaker at the Upper Sumas Mission at 11 o'clock on Sunday, Sept. 1st.

Closing exercises of the Huntingdon Vacation Bible School were held last Wednesday evening when the children presented a program of recitation scripture Memorization, songs, violin selections and drills. A number of parents and friends attended to hear the program and see the articles of handwork completed by the pupils.

Mr. and Mrs. G. A. Rogers of Vancouver were Sunday guests of Mr. and Mrs. C. Baynes.

Miss Eunice Colclough of Burnaby, a former resident of Barrowton, is in charge of Barrowton Store while Mr. and Mrs. Hanson are on a holiday in Alberta.

Misses Spain and Elliott, teachers in the Upper Sumas Mission left on Sunday for a two-week holiday at their homes in Vancouver and at Sechart.

Mrs. Dobbie and children of Nelson have returned home after a visit with Mrs. T. Higgs and family.

Mr. and Mrs. Allan Watson have returned from a week's camping at Cultus Lake.

Bradner

The annual picnic of the Ladies' Guild of St. Margaret's Anglican Church was held on Thursday last when two school busses transported the members and their friends to Second Beach, Vancouver. While the weather at the start was not all that could be desired, it soon cleared, and an enjoyable day was spent.

A quiet wedding took place recently at Langley Prairie, the contracting parties being Miss Anne Gay, second daughter of Mr. and Mrs. J. Gay, Bradner and Mr. Don Eve, eldest son of Mr. and Mrs. Frank Eve, Aldergrove. After the ceremony a reception was held at the home of the bride's parents.

Mrs. N. Auburn is spending a few days at White Rock.

Mr. Fred Waring is a patient in the Royal Columbian Hospital, New Westminster.

Leone Weismiller has returned home from the M.S.A. Hospital, where she underwent an operation. Miss Dorothy Croisdale, Mission, is spending a few days at her home here, and master Bob Croisdale is visiting his brother in Matsqui.

Huntingdon

Mr. Arthur Buck of North Vancouver, formerly principal of Huntingdon public school, visited here during the week.

Mrs. Neros and son Wally and Miss Lena Fayne of Courtney visited with their sister, Mrs. A. Crouter, during the week.

Mr. and Mrs. Herbert Bourne of Saskatchewan are visiting with Mr. and Mrs. Wesley Williams.

Mr. and Mrs. Ernie Young of Moose Jaw are visiting with Mr. and Mrs. Young, Sr.

Mrs. Farris and family are visiting with relatives at Coquitlam and Cloverdale for several days.

Mt. Lehman

A large number of Mount Lehman friends gave John Carter, son of Mr. and Mrs. F. A. Carter, a rousing sendoff when he visited home recently before departure to a more distant B.C. post with the Irish Fusiliers which he joined last June.

A correspondent is wanted by THE NEWS in Mount Lehman for the gathering of this column.

Abbotsford Paragraphs

On Saturday night cars driven
by George Fedje, Abbotsford, and
Eddie Teal, Vancouver, collided at
Columbia street and Fourth, New
Westminster, with damage of
about \$25 to each car.

Mrs. E. Swalle and little Sally
Hutchins have returned from a
two-week holiday spent with rela-
tives of the former at Sooke and
Victoria.

Mrs. C. A. Watson has had as
her guests during the past week
Miss Smith and Miss Siebeg of
San Francisco.

Mrs. M. C. Walker, Misses Iola
and Mayne Walker and Gladys
York are on a motor trip to Banff
and Calgary.

Mr. and Mrs. I. Govetts and
family of Kamloops were guests
last week of Mrs. Moe.

Mr. and Mrs. Harvey Miller of
Seattle were guests of Mrs. H.
Fraser on Saturday. Mr. Miller is
a cousin of Mrs. Petapiece of Su-
mas, Wn., formerly of Abbotsford.

Mrs. Colin Fraser and Donna
and Billy of Trail spent a few
days in Abbotsford last week. Mrs.
Fraser journeyed to Chilliwack
and will then go to Vancouver be-
fore returning home.

Mrs. J. K. Fraser and daugh-
ters, Iris, Joanne, Marjorie and
Pat, have gone to Vancouver to
attend the exhibition there.

E. C. Fletcher, publisher of the
Red Deer (Alberta) Optimist, vi-
sited his brother, Roy Fletcher,
manager of Abbotsford Overwaita
store, on Monday during a short
motor vacation to the Coast.

Jack Phillips left for Montreal
on Wednesday night. He hopes to
secure a position in one of the
large Eastern airplane factories
as a result of his training.

C. C. Reynolds of Chilliwack,
who is in his 81st year, recently
walked from Chilliwack to Mats-
qui on the CNR tracks in five
hours. The distance is 16 miles
and he did not rest on the way.

SEED GROWERS

(Continued from Front Page)

pany which has been handling the
business for the last two seasons.
It will assume all contracts for
the growing of registered and
certified seed, now held by Agri-
cultural Marketing Bureau and
will act as selling agent for the
B.C. Vegetable Seed Board. After
this season, the company will also
handle all the commercial, as well
as registered seed. The commer-
cial seed is being grown this year
under contracts held by the trade.

CONFERENCE

The arrangements were con-
cluded Monday by the directors
of the B.C. Seed Growers' Asso-
ciation, namely, A. R. Mudie, Grand
Forks; B. W. Cox, Dewdney; Fred
Matlock, Rayleigh Mount; F. O.
Blake, Royal Oak, and W. H.
Baumbrough, Vernon, and rep-
resentatives of the B.C. Seed Trade
Association, including President R.
R. Horrex, Rennie's Seeds Limi-
ted, vice-president Bruce McCur-
rach and David Thompson, of
Brackman-Ker; E. Rayner, Angus
Seeds Limited; L. S. Amos, David
Spencer Limited, and Roy Hunter
and Clive Planta of Agricultural
Marketing Bureau. The other di-
rectors of the trade association,
secretary-treasurer W. H. Macfar-
lane, T. Ritchie, of T. Ritchie Lim-
ited, J. Brown of Brown Bros.
Limited, H. Ceeley of Brand and
Co. Limited, and T. McTaggart of
Woodward's Limited, had been
consulted and were unanimous in
support of the co-operative under-
taking, so president Horrex said.

MEET MINISTER

Officers and directors of the
new company and of the growers
and trade association met with
Hon. K. C. McDonald, Minister
of Agriculture, Monday evening
and laid the plan before him. The
Minister expressed gratification
that the fusion of efforts of grow-
ers and distributors had been ef-
fected.

Mr. Horrex stated: "The trade
will give all possible support to
this new company, not only in
buying seed but in every other
way. We want to see the growers
and their industry in a healthy
condition. We shall get out a
bulletin immediately to the Cana-
dian Seed Trade Association so
that it may inform the trade
throughout Canada of the step
that has been taken in British
Columbia. We look to see a ma-
terial expansion of the seed grow-
ing industry in British Columbia
which is so admirably fitted for
this branch of production. We
shall concentrate first on the pro-
duction of seed for use in our own
province but we confidently expect
that there will be a useful sur-
plus for use on the Prairies and
probably elsewhere in Canada."

The new set-up will be that, Bri-
tish Columbia Seeds Limited will
be the agency for the B.C. Veget-
able Seed Board, which operates
under the B.C. Natural Products
Marketing Act.

H. L. Preddy, chairman of the
Abbotsford deputy registrars,
wishes to thank all those who as-
sisted in the local arrangements
and particularly the men and wo-
men who, after working all day
at their own jobs, volunteered for
evening duty and stood by even
though not all were required. Mr.
Preddy also speaks highly of the
civic committee under the chair-
manship of Commissioner Shore
and secretaryship of Magistrate G.
F. Pratt which enrolled and drafted
the schedules of the 70 volun-
teers who offered to assist at the
three Abbotsford divisions.

Misses Sadie and Dorothy Smith
of Nelson and Mrs. Peake and
Miss M. Peake of New Westmin-
ster were weekend guests of Mr.
and Mrs. H. V. Smith, Mill road.

Les, Coulter, teller in the Ab-
botsford branch of the Royal
Bank, was transferred to the Lang-
ley Prairie branch on Monday
morning.

Corbett-Horsley

A pretty wedding took place on
August 21 at the home of the
bride's parents, when Ellen Eliza-
beth, elder daughter of Mr. and
Mrs. H. Horsley of Sardis, became
the bride of Mr. Irvine Finlay
Corbett, eldest son of Mrs. Cor-
bett and the late H. A. Corbett
of Stratton. Rev. Dr. J. H. White
performed the ceremony.

Given in marriage by her
father, the bride wore a floor-
length gown of white silk net fea-
turing a sweetheart neckline and
slight train. A coronet of orange
blossoms held her veil in place
and her flowers were Golden Em-
blem roses and lilies.

Her sister, Miss Mabel Horsley,
was maid of honor. Mr. Norman
Corbett attended his brother.

At the reception guests were
received by the mothers of the
bride and groom, and for the
honeymoon the bride donned a
tailored grey suit with white ac-
cessories. Mr. and Mrs. Corbett
will reside at Hope.

The bride obtained the Govern-
ment's medal in 1929 for en-
trance examinations, and won the
I.O.D.E. scholarship in 1932 in
Chilliwack. She led her class grad-
uating from Normal school, Van-
couver, in 1934.

FINES

(Continued From Front Page)

ciding it was a misguided idea of
being funny to insert the state-
ments made, gave Verch the op-
portunity to contribute \$5 to the
Red Cross and suspended sen-
tence on payment of costs.

TRADES LICENSES

Two offenders under the Mats-
qui trades license bylaw were
hailed before G. H. Loach, J.P.,
by Cpl. G. H. Soles of the MSA
detachment of B.C. Police. They
were the McCormick-Deering Co.,
Vancouver, and Royal City Bott-
ling Co., New Westminster. Mini-
mum fines and costs were impos-
ed with court orders to secure the
necessary licenses.

HUNDREDS OF GUNS

More than 600 guns already have
been registered at the B.C. Police
office in Abbotsford and the first
supply of belated forms was ex-
hausted Tuesday. More arrived,
however, this morning. The fire-
arms registered range from an-
cient muzzleloading relics to the
latest sporting piece.

Germany is among the few countries in which tuberculosis is on the increase. She has more than 1,500,000 cases today.

Famed Cavalry Regiment Gets Steed as Mascot

The tradition of its days as a dashing cavalry regiment will be carried on by two-wheeled steeds but there is little about the Governor-General's Horse Guards to re-

call when the men wore breeches and spurs. A tie with the old days was renewed in Toronto, however, when "Seabiscuit," a small pony in full galloping order, was introduced to the ranks. The pony was given

to the regiment as a mascot from Rupert Bain, master of the Eglington Hunt club, Toronto. Here it hobnobs with the men after the last joint parade of the active and non-permanent units of the regiment.

**RED CROSS
News Notes**

Don't fail to visit the Red Cross booths at the Vancouver Exhibition this week, up to Sept. 2nd. There will be two of them—one in the Manufacturers' Building and the other in the Women's Building. A typical Red Cross branch workroom in action will be featured in the Manufacturers' Building. Demonstration routine will include shipment of materials to workers, reception and inspection of finished work. A case ready for final shipment will be part of this Exhibit. There will be also demonstrations of rolling bandages and making all types of surgical supplies. Many Red Cross volunteer workers in smart uniforms will be present to give out hundreds of pamphlets, which describe the many important war projects of the Canadian Red Cross Society now being carried out, and how every dollar of Red Cross money is apportioned.

**KNITTING THE
KITCHENER TOE**

Generous space has also been allotted in the Women's Building to demonstrate both peace- and war-time Red Cross exhibits. In this section will be knitters who will explain and demonstrate knitting of socks according to Red Cross instructions, with special attention to the Kitchener Toe. There will be large glass show cases with samples of hospital supplies of all kinds, surgical dressings and refugee clothing.

JUNIOR RED CROSS

The Junior Red Cross booth will show the scope of this work, not only the 1077 branches in the province, but nationally and internationally. There will be glass cases filled with Junior Red Cross equipment used in school classrooms, and examples of hospital supplies—personal property bags, handkerchiefs and washcloths—made by the Juniors. The background will be a huge poster showing a group of children following the Red Cross flag—"to protect health, to practise health, work and sew for crippled children and soldiers and refugees."

OUTPOST HOSPITAL WORK

A rustic log replica of the Outpost Hospital at Cecil Lake, a map showing locations of other Red Cross Outpost Hospitals in B.C., also First Aid stations in danger points on provincial highways (the latter operated in co-operation with the St. John Ambulance Association) will be features of another booth. Two attractive Red Cross nurses will give away folders with full information pertaining to these and to the Home Nursing courses. They will also take the names of any wish to take the course, and of nurses willing to offer their services as instructresses.

AHEAD OF SCHEDULE

In addition to the well-advanced naval construction program involving the building of 92 vessels, of which a portion is now afloat, the Canadian ship conversion program, in progress since the start of the war, is proceeding ahead of schedule. Many converted vessels are now in service on the high seas with the Royal Canadian Navy.

RADIO AUTHOR**WILLIAM STRANGE**

is the author of "They Shall Not Pass," the feature drama broadcasts heard over the CBC National Network on Wednesdays at 6:00 p.m. PST. He was born in England and received his early education at Royal Naval Colleges.

NEW HUGHES IN ARMY

Sam Hughes, grandson of the late General Sir Sam Hughes, minister of militia at the outbreak of the last war, and son of the late Major-General Garnet Hughes, has received his lieutenant's commission with the Queen's Own Rifles, N.P.A.M.

**CHIEF OF STAFF**

A promotion, coming almost before he had time to sit at his desk, raised 52-year-old Maj.-Gen. H. D. G. Crerar to chief of the general staff. He succeeds Gen. T. V. Anderson. General Anderson becomes inspector-general for Central Canada, assigned also to undertake special inspection duties. He succeeds Maj.-Gen. E. C. Ashton, who returns to the retirement which he left last fall.

LEGION**NOTES**

Branch No. 15

(Contributed)

The monthly executive meeting will be held in the board room, Monday, Sept. 2, and the general meeting will be held Thursday, Sept. 5.

POPPY DAY

It is intended to carry on our Poppy Day campaign in 1940 in exactly the same manner as has been done in previous years on this occasion. However, it is desired to stress the fact that any profits accruing from the Poppy Day collections will be used entirely for men discharged from service in the war of 1914-18 and from service in the present conflict.

CONSCRIPT ALIENS

The Canadian Legion has made strong protest through Dominion Office in regard to the intention of the government to exempt from the Mobilization Act, Mennonites and, presumably, Doukhobors.

THE NAZI BLUFF

This pamphlet, "The Nazi Bluff A Myth Exploded," has been received with approbation by many people in this district. A few copies are still available from the Legion Club.

Your line goes whistling
Through the air—
You get a strike,
Quite unaware
You've caught the biggest
Salmon there—
... that's lucky.

FRENCH SHIPS HERE

Nine French ships in the Canadian ports of Sydney, Halifax, Montreal and Vancouver have been requisitioned by Canada under the Defence of Canada Regulations. Authority to dispose of these ships and their cargoes and any other ships that may be later requisitioned was granted by Order-in-Council.

SUPPLY GAS MASKS

All Canadian troops proceeding overseas were equipped with respirators, according to Hon. J. L. Relston, Minister of National Defence. All coast defence troops are equipped with gas masks and Canadian production is geared not only to fill Canada's requirements but also to furnish a substantial number to Allied troops.

**DOLLARS
that reach
to next week**

People who make a study of such things say there are three ways to make money S-T-R-E-T-C-H.

FIRST. Budget. Plan your expenses and keep a record of what's spent.

SECOND. Watch the pennies. It's the little savings that mount up.

THIRD. Buy carefully. That's where advertising comes in. Printed news in the A. S. & M. News, from store to manufacturer, keeps you advised of the best buys of the week.

Read the advertisements... carefully. They'll give you the kind of information that makes this week's dollars reach over to next week!

THEY'RE OFF!

to another ten months of school. Supply them now and during the whole school term with the best supplies your money can give them. We have everything for Readin', Ritin', Rithmetic.

Zawada - Gibbard

A pretty wedding took place at the Anglican church, Telegraph Creek, when Ethel, eldest daughter of Mr. and Mrs. Amos Gibbard of Matsqui, became the bride of Mike Zawada of Telegraph Creek. The bride wore a navy blue suit with a white crape-de-cine blouse, navy blue picture hat and accessories. Immediately after the ceremony the bridal couple were guests of honor at a party given in the hotel.

Mr. and Mrs. Zawada will reside at Telegraph Creek which is 140 miles northeast of Wrangell, Alaska.

Rev. Angus Cameron has returned from vacation and will be in his church on Sunday.

Mrs. J. P. McMurphy has returned to her home in New Westminster after visiting her daughter, Mrs. Lang Sands, for a week.

Mr. and Mrs. David Duguid and family of Vancouver were guests on Saturday of Mr. Duguid's parents, Mr. and Mrs. D. D. Duguid, McKenzie road.

The Misses Anne and Sadie Sande and their brother, Billy, of Calgary, Alberta, spent part of last week with their aunt and uncle, Mr. and Mrs. P. M. Zalesky.

YOUR ANNOUNCER IS...

SYDNEY BROWN

producer of the CBC drama series, "They Shall Not Pass," was born in Sydney, Australia. His father was English and his mother Swiss. His first job was on a farm in the Peace River district. At 17 he enlisted with the 66th Regiment at Edmonton and saw service in France and Germany in the first Great War. For the past four years he has conducted the brotherly task of the CBC Northern Messenger Service and receives many gifts from his listeners. He is 5 ft 6 in., weighs 145 pounds, blue eyes.

...TESTED RECIPES...

PEACHES FOR DESSERT

Peach season is here again. There is no better dessert than ripe peaches either raw or cooked.

The following recipes are suggested by the Consumer Section, Marketing Service, Dominion Department of Agriculture:

BAKED PEACHES

6 Peaches
1/4 cup sugar
1/2 cup water

Select large, perfect peaches. Do not peel. Place peaches in baking dish, add water and sprinkle with sugar. Bake 1/2 hour. Serve hot or cold.

ESCALLOPED PEACHES

6 peaches
1 cup cake crumbs
3 tablespoons butter
1/4 cup sugar
1/2 cup cinnamon
Peel and slice peaches. Arrange in layers. Sprinkle each layer with crumbs, sugar and cinnamon. Dot top with butter. Bake 1/2 hour.

PEACH FRITTERS

3 peaches
1 cup flour
1 1/2 tsp baking powder
1/4 teaspoon salt
1 tablespoon sugar
1/2 cup milk
1 egg
1 tbsp melted butter

Mix and sift dry ingredients. Beat egg and add milk and melted butter. Add slowly to dry ingredients. Peel and slice peaches. Add to batter. Drop batter by spoonfuls in deep fat at 365° F. When browned and cooked, drain, sprinkle with powdered sugar and serve.

PEACH AND MELON COMPOTE

2 cups diced peaches
1 cup diced melon
1 cup sugar
2 cups water
2 tbsps diced preserved ginger
2 tbsps ginger syrup
Boil sugar, water and ginger syrup 5 minutes. Add fruit. Cook until slightly clear. Remove fruit. Boil syrup 5 minutes. Add ginger. Pour over fruit. Chill.

PEACH MOUSSE

1 cup fresh peach pulp
1/2 cup sugar
1 teaspoon gelatin
1/4 cup cold water
1 cup heavy cream
Rub fruit through sieve. Soak gelatin in water. Add to peach pulp. Add sugar. Cool until slightly thickened. Whip cream until very stiff. Fold in fruit mixture. Turn into mould. Chill.

GIRLS FORM CLUB
TO AID RED CROSS

A group of girls met at the home of Miss Dorothy Frost on Tuesday and formed a club to be known as "Soldiers' Pals" to work with the Red Cross. Executive members of the club are Mrs. K. Kiernan, president; Dorothy Frost, vice-president; Miss Ailsa McLean, secretary. Other members include: Misses Eileen Hall, Thelma Silverthorne, Vicky Evans, Norma Zink, Isobel McBlain, Irene Walter, Mable Beuhler, Frances Quadling and Rita Duhamel. The meetings will be held every Tuesday evening in the respective homes.

"But, Major, we find it more effective." —Canada Poultryman.

MSA INSTITUTES
ARE REPRESENTED
AT W.I. CONVENTION

Mrs. J. Leavitt, president of Upper Sumas Women's Institute, Mrs. H. E. Beetlestone, president of Huntingdon W.I., and Mrs. O. H. Heywood, secretary of Poplar Manor W. I. are attending the sixth biennial convention of British Columbia Women's Institutes which is being held in Hotel Vancouver at Vancouver this Wednesday, Thursday and Friday.

PLAN RUMMAGE SALE

The A. S. M. Social Welfare Club will hold a Rummage Sale during the latter part of September. The exact dates will be announced later.

APPOINTED

John Ridington, retiring librarian of the University of B.C., has been appointed a member of the public library commission, according to a statement issued at the parliament buildings Monday. The appointment is for a three-year term.

Dog Saves Family

Frantic barking of a year-old police dog was given credit for saving the lives of 22 Toronto people, when fire broke out in a woodshed. The canine hero, Prince, is shown with Helen Buckland, whose household was first aroused.

PLAN NOW TO SERVE
CORN ON THE COB
or CUT CORN
at Christmas

ANOTHER DELICIOUS TREAT
MADE POSSIBLE BY YOUR
COLD STORAGE LOCKER

HERE'S HOW...

Recommended Varieties of Sweet Corn for Locker Storage: Yellow—Golden Cross, Bantam, Golden Bantam; White—Stowell's Evergreen.

Harvesting and Handling: Harvest early in the morning. Select ears with rounded kernels, milky juice and sweet flavor. Avoid hard and immature kernels. Handle quickly to preserve quality and flavor.

Preparation: Husk silk and trim ears. Avoid submerging corn in water as much as possible (scald on cob for cut corn).

Blanching Time: (Boiling water, 212° F.) For cut corn—Scald on cob for 2 to 3 1/2 minutes. Cool in ice water. Cut cob from pack. Corn on Cob—Scald for 8 to 9 minutes for medium ears, 8 to 10 minutes for large ears.

Packing: Cut corn is usually packed dry. Individual ears—wrap in moisture-proof paper and place in container.

Containers: Air-tight or non-air-tight containers may be used.

CARROTS

Red-Cored Chantenay, Nantes or Coreless varieties are suggested as best. They should be harvested as for table use. To prepare carrots: top, scrub under running water, trim and dice. Young carrots may be left whole. Blanch 2 to 3 minutes for diced, 3 to 4 minutes for whole carrots. Plunge in cold water and drain. Pack in 2% brine or dry pack. Air-tight or non-air-tight containers may be used.

FIRES

(Continued from Front Page)

and shed near the house caught fire and the former burned.

Only official form lost was the registration certificate of Mr. Leslie, Sr. B.C. Police investigated but destruction was complete and origin of the fire is unknown. J. L. Leslie sustained burns on his hands and one ear in fighting the fire and trying to save goods.

Arrangements to hold a benefit dance in Peardonville hall on Friday night, Sept. 6, under auspices of Peardonville Community Club were made at a meeting held on Tuesday night at the home of Mr. Newman when residents of the district conferred on ways to assist the Leslies. The fire Thursday climaxes a series of unfortunate occurrences starting with the drought on the prairies, the death of Mrs. Leslie, Sr., an accident on the highway, theft of over 200 chickens, and more recently Mr. Leslie, Jr., being handicapped with blood poisoning in one arm.

GREEN-HAY FIRE

A week earlier a new barn, temporary home and other buildings on the farm of R. Wandfluh, 4824 Wells Line road, Sumas Prairie, was also a total loss but the fire in this instance is believed to have been caused by combustion of a large quantity of newly-stored hay. The barn was insured but not the hay, it is understood.

SCHOOLS

(Continued from Front Page)

there. Unless beginners are enrolled within two weeks after the term begins they may, according to the Public Schools Act, be refused admission. Five-year-olds who will not be six until November or December, 1940, will be tested to see whether they may stay at school.

The school authorities would urge parents not to be in too great a hurry to start these children. Thousands of boys and girls have suffered handicaps right through their school careers on account of having started too young; and five years is too young for the average child. It would be far better for most children, says Inspector Towell, if they remained at home until they were at least six and a half or seven years old.

APPOINTMENT

One more staff change has occurred. A. E. Parfitt, who resigned this summer, has been replaced by D. J. S. Smith, who will act as secretary-stenographer in the Education Office and will teach part-time commercial work in the Philip Sheffield high school.

Concrete floors in the basements of Bradner, Jubilee and South Poplar schools have been replaced during the summer as part of the program of essential works authorized by the Advisory Board. The old floors were in a dangerous condition. Peardonville, Matsqui elementary and South Poplar schools were repainted and the roof of Abbotsford elementary reshingled during the vacation.

RESCUE BOATS

A \$600,000 contract has been placed by the Department of Munitions and Supply for six large rescue boats for the Royal Air Force. The launches are between 60 and 70 feet in length. Powered with three engines they will be capable of doing 35 knots.

M.S.A. BRANCH Red Cross

TAG DAY

We are pleased to report the sum of \$77.84 was collected on the three days of National Registration, and would like to take this opportunity of thanking all those who gave of their time and money to make the venture such a success. Money is still urgently needed by the Canadian Red Cross and although we have heard remarks about the slackening off of the making of supplies, we would like to point out that this item accounts for only 36 per cent of the revenue collected for the Society. It is true that there is stock on hand at present but please do not lose sight of the fact that it is the Red Cross which steps in to take at least temporary charge of the unfortunate people, for instance, who emerge from air raid shelters to find their homes in ruins. This is also the place where the stock of blankets donated will be so welcome.

RED CROSS \$5

While on the subject we would like to draw your attention to the following disposition of every dollar collected for the Red Cross:

War work by national council, 44c; war work by branches, 36c; peace time services (outpost hospitals, first aid posts, etc.), 14.5c; campaign and publicity costs, 2c; administration, 3.5c.

EXECUTIVE MEETING

Regular executive meeting was held in the Health Office on Monday to plan for the national appeal to start on Sept. 23. A committee of Rev. Henderson, L. Caldecott and A. S. Towell was appointed to select a campaign chairman and committee.

DONATION

A very interesting article has been donated to the Society by J. A. Haywood through J. S. Daly, and may be seen in the window of THE NEWS. It is a lamp made of souvenirs of the last Great War picked up on the battlefields of France by Mr. Haywood, and which must have been greatly prized by the donor.

WASTE PAPER

The following letter has been received from the Ercoisior Paper Stock Co. re collection of the waste paper: "Answering your letter of yesterday, we can take all the newspapers and magazines you can collect and pay as follows: newspapers, \$6 per ton; magazines, \$3 per ton. These prices are for the paper delivered in our warehouse at 1531 Main St., Vancouver. Please note that the newspapers must be kept separate and tied up separately from the magazines. They should be tied in bundles of about 35 lbs. and tied two ways with a good stout twine. If you could get some one in Abbotsford to truck your paper here, it might be worth while, otherwise the cost of transportation would leave nothing for your work." Any offers?

OPERATING FULL BLAST

From figures released by the Department of Munitions and Supply, mills and firms engaged in the manufacture of personal equipment for the fighting forces are operating full blast. During a two-week period 22,000 full battle dress uniforms were produced, while 91,000 pairs of socks, 90,000 shirts, 40,000 sets of underwear and 69,000 pairs of boots were being turned out.

Fodder For Planes

With the tremendous speeding up of airplane production in Great Britain, the need for metals has become an ever-increasing demand.

In particular, aluminum is needed to make parts for darting fighter planes and heavier bombing craft. Scenes like this are common as British housewives give up their extra pots and pans so that the aluminum can be converted into needed plane parts.
